STUDENT ONBOARDING FORM

PURPOSE

Francis Louis needs to receive the information contained in this Onboarding Form (except in the Tenant Payments section) so as to enable:

- the landlord to properly evaluate your application
- us to complete all required credit referencing, identity verification, customer due diligence and related checks in relation to yourself and (if applicable) your guarantor via third-party service providers (**the Required Checks**)
- us to comply with the laws, rules and regulations in the UK that apply in the context of anti-money laundering and counter-terrorism financing and in the context of our obligations under UK financial sanctions regulations, and to mitigate and effectively manage the related risks
- (if you are a non-UK applicant) us to be satisfied that you are entitled to rent the property

All Required Checks must be completed satisfactorily before any tenancy agreement can be entered into

All Required Checks may be carried out via third-party service providers

You and (if applicable) your guarantor will separately receive a link / other communication from one or more of our third-party service providers (being currently Let Alliance and SmartSearch) in order to carry out the Required Checks

Francis Louis may need to contact your guarantor (if any) so as to enable (a) the landlord to properly evaluate your application and (b) us to complete all Required Checks

Francis Louis and the landlord have no responsibility or liability to you or (if applicable) your guarantor if (a) the landlord decides that they are unable to accept your application or (b) the Required Checks are not completed to the satisfaction of Francis Louis and the landlord

The Tenant Payments section is included in this Onboarding Form so that you have clear and complete information about the payments that are permitted in the context of any tenancy arrangement

I confirm that the information provided by me in this Onboarding Form is true and correct
I acknowledge and agree to the contents of this Onboarding Form
